

OA National Service Grant Program

One of the four fold purposes of the Order of the Arrow is to “crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.” It is with this spirit of cheerful service to others that the Order of the Arrow proudly offers the matching service grant program.

For several years, the National Order of the Arrow Committee has provided matching service award grants for a limited number of projects submitted by application to the national office. Matching grant money is given to lodges for camp or service center projects in their local councils. The Order provides up to one-half of the money for a service project, with a \$5,000 maximum amount granted for any lodge project.

The Golden Sun Lodge is proud to be the recipient of a 2007 National OA Service Grant, the first time received in the Lodge’s history. The grant was one of only eight awarded in the nation and was the only project in the Central Region to receive funding.

Help Us Provide A Great Camp Experience For All Scouts

The Golden Sun Lodge, Order of the Arrow, asks for your help funding a service project.

In early 2007, the Golden Sun Lodge was awarded a National Order of the Arrow Service Grant of \$5,000. This grant, along with our own matching financial support, will provide the funding to renovate the Ponca Campsite at Camp Cornhusker south of Humboldt, NE.

Camp Cornhusker has been operating for over 50 years, providing summertime camp memories to thousands of young people. To help continue that tradition, we would like to improve one of our campsites to provide a better camp experience for physically challenged and less able Scouts and Scouters.

The Ponca campsite will be improved by adding a new shelter, new concrete pad tent sites along with tent frames and new tents, and concrete pathways connecting the various patrol sites throughout the campsite with the central shelters.

This project has been planned in two parts, the first taking place late this summer. We will build three patrol sites and two shelters including cement sidewalks. The second part of our plan, scheduled for next summer, is to add three more patrol sites towards the back of the campsite with cement sidewalks leading to them.

Your Help Is Needed

Your help is needed in funding the matching portion of the grant. We are asking individuals, Scout units, businesses and other groups to donate to our project. Whether you are able to fund an entire patrol site or just provide a general donation for materials, your support is needed and is greatly appreciated.

Your donation will help complete construction of the project and will allow more of our less-able Scouts and Scouters to discover the joys of Scouting and what Camp Cornhusker has to offer.
