THE RED BOOK RETURNS

The lost is found- the wandering has returned-that which wasn't is-like-wise, " Yo redde booke has bean returned." No longer must we set up nights worrying, No longer must we glare truculently at suspected ones instead we must needs cogitate, pensively wondering who it was that returned it, and why he didn't sign his name.

To You, oh anonymous benefactor of the Order, we extend our heartfelt thanks. Incidentally, there is a reward of four years' dues payable to the one who returns the Book, why don't you claim it? It still stands.

LAND MARKS IN CAMP MINIS-KUYA

A number of the Suns have been working on the two projects at Camp Minis-Kuya. Logs have been placed around the outside of the Sacred Circle for seats. The log cabin is being completed for a camp museum. There is a good deal of work yet to be done on both projects. Any of the Suns who would like to see these two Golden Sun land marks completed and could put to help, would be appreciated. *come*

Fifteenth Annual Pow Wow, (cont) made up of men from all walks of life. You can hardly name a profession or trade, but what we can name a Golden Sun who is a member of that profession or trade.

The Cabinet will do its utmost to make this Pow Wow a success, but after all, no meeting can be successful unless there is a goodly representation of the membership present. For that reason, we ask that you, if you can possibly do it, make arrangements to come, and if you can, arrange to make up a party of the members in your vicinity to come together. The date of the Pow has been set. It will take place at Camp Minis-Kuya on the 20th and 21st of August, starting at 2:00 p. m. Saturday and lasting until after the evening campfire on Sunday the 21st. We'll send ou a letter containing full information, about the Pow Wow later in the summer. Plan to come and eat at the mess hall where meals will be served at a reasonable price.

SCOUTER NOMINATIONS

Performance Record blanks to nominate a Scouter to the order, may be had by writing to Secretary. The constitution states, " Any group of five Active Golden Suns may nominate a Scouter for Active membership which nomination accompanied by a Performance Record of nominee, signed by the five active Golden Suns, must be transmitted to the Secretary of the order, by the First of August of the year he was nominated."

ANNUAL CERTIFICATE

A new annual certificate has been designed for the coming year, and is already being issued. We are urging all those who were active this past year and many more to send in their 1938-39 annual dues to the Secretary-Treasurer, who will then issue the certificates.

Send Early and Avoid the RUSH; Stamps will exooptable, (1 or 1 1/2 preferred) in payment of dues.
