

## GOLDEN SUNS ON THE CAMP STAFF

Is it a coincidence or a matter of course? Every man on the camp staffs, both: the regular Minis-Kuya staff, and the staff that will be at the camps out in the Council are members of the Order of the Golden Sun. This one exception will not be an exception long. That one is "Hoisy" who will be initiated at a special Initiation the first part of June. Here they are:

This shows you that Golden Suns really are good Scouts. It shows that they really are leaders in Scouting, and that their ability and usefulness is recognised by the Executives of this Council.

Let's keep up the good work and really prove our value to the Council. Remember: "Be ye doers of the Word and not hearers only."

#### GOLDEN SUNS IN CAMP:---

We have great plans for the Golden Suns in camp this summer. Among the many things that we have planned for them is participation in a weekly campfire. The plan is that on a certain evening each week throughout the summer camping period, the Golden Suns will plan and conduct a campfire ceremony. This will be one way that the fellows who have had the pleasure of camping before will be able to add to the enjoyment of new scouts in camp. We'll get in touch with you later about the programmes for the campfires. Be planning on it.

#### PUSH CAMP: ---

We've got a fine camp here at Minis-Kuya, and we want as many Scouts as possible to enjoy the facilities and amenities of camp life as offered here. Tell the new Scouts and the other scouts who have not been here before about the camp, and urge them to come for at least one period anyway.
