# ORDER OF THE ARROW-FILE COPY

VOLUME XV

February, 1953

Number 1

## ANOTHER CARD

The enclosed card is to be filled out and returned at once. You should check one of the blanks according to the following:

### CHECK TO BE AN ACTIVE MEMBER IF:

You intend to be active and attend all of the Golden Sun activities that you can.

### CHECK TO BE AN INACTIVE MEMBER IF:

You live out-of-state or for some other reason do not plan to attend Golden Sun activities.

The difference to you will be small. An inactive member will receive most of the same mail as active members except that no reply card will be included. Also this will allow us to use a machine for our addressing. If you do not return the card, you will automatically be placed on the inactive list. This will be the same for honorary as well as regular members.

## MORE EXCUSES

The twelve pointed suns for your breechclot are finished. However we are not sending them with this Sun Dial for two reasons. One is that this Sun Dial is not in an envelope. The other is that we want to send them only to active members. Keep your hopes up and you'll get them yet.

## PAGING ALL RELICS

We are now trying to develop a historical museum of the Golden Suns. We are mainly in need of Sun Dials and other letters which have been sent to the tribe. Therefore we would appreciate the donation of any mailings that you might have received between 1923 and 1950.

## FOR SALE

Below is the list of items which you may purchase through the Golden Suns. As you will notice, this list does not include any of the Indian costume. This is because of the probable change in the constitution at the Spring Pow-Wow. A price list for the parts of the costume will appear soon after the Pow-Wow, and will enable you to complete your costume before the Fall Pow-Wow.

Sun for breechclot .....	.05
