A NEW CHIEF

The first of this year Rod Harvey, our Head Chief, entered the services of Uncle Sam's Air Force. (It's rumored that he did this just to get his red, white, and blue coups.) Anyway, due to this absence, Art May, who was Assistant Chief, is now Head Chief.

LOST

From the year, 1923, the year the Golden Sun was founded, to this year, over 800 Scouts and Scouters have become Suns. However, many of the addresses of these Suns are not known. We have the correct addresses for about 500 Suns, leaving over one-third lost. Some of these lost Suns are from recent years; so if you know any Sun member who did not receive this Sun Dial, please send his name and address to the office.

CEREMONIAL GROUNDS

Camp is coming and it's a good time to think of the tapping out ceremonies. One way to improve the tapping out ceremony is to make sure the place where it takes place is in good condition. Because of this it would be an intelligent thing if the Suns in areas near the various camps would get together and clean up the ceremonial grounds. It wouldn't be a bad idea to get a large supply of fire wood at the same time.

SUMMER CAMP STAFF

Summer is coming and that means camp will be opening. Before camp begins, a staff must be picked by the camp directors. The staff must consist of boys who are experienced Scouts and who are interested in teaching younger Scouts.

This year we are hoping that as many Golden Suns as possible will be on the staffs of the three council camps. We want the ceremonies at camp to be the best that we can do. If any of you are interested in a position, write to the Scout Office for an application, and do it now. We don't promise that our recommendation will get you on the staff, but it might be the deciding factor in the choice of you over another Scout.

YOU AND YOUR TROOP

Are you helping your troop?

We realize that most Golden Suns are active leaders and are helping their troop to do better Scouting. But we also realize that most of you would be doing this even if you weren't a Golden Sun.

The question is what are you, as a Golden Sun, doing to help your troop? Listed below are several ways which one or a group of Golden Suns can assist their troop.

- Instruct and assist boys in making Indian costumes.
- Assist Scoutmaster in making nominations for the Golden Suns.
- Promote the Twelve Month Hiker's Award.
- Develop a troop camp site.
- Develop a troop ceremonial and campfire circle.
- Conduct Courts of Honor and ceremonies for Parent's Night.
