

And speaking of the Tribal Council, I wish to tell all members of the Tribal Council that there is a council wide meeting of this group at Camp Augustine, Grand Island on ^{the} days 8 and 9, beginning at 2:00 pm, Saturday. The most important matter on the agenda is just what you think it is. And as a part of that, the matter of proposed constitutions for the new lodges will have to get due consideration from the council. Another part of the program at Camp Augustine will be the administration of the Brotherhood Honor ceremony to all members of the Tribal Council who do not hold that honor. This makes the attractions of the meeting even stronger.

The summer camping season is getting so close I can feel the cold air around my feet. All Suns in the chapters are checking their troops for candidates for the Golden Sun, Order of the Arrow, the members of the camp staffs are getting set up to take care of tapping ceremonies at camp, and the organization as a whole is getting set to spend its last but most effective year of its existence.

The nationwide order of the Arrow is going to have its 39th national convention at the University of Wyoming out at Laramie August 26 to 29. The lodge should have a representative from each of its chapters at this meeting, and these representatives will be unofficial ambassadors from the new lodges to the convention. This could be the biggest and most important meeting of the season for the OA, so let's have lots of Suns at Laramie.

Everyone stop now, pull up your calendar, and mark August 20, 21, and 22, as the dates of our last fall pow wow. Everyone is going, so why don't you? This is the last time for the Golden Sun Lodge, OA, with all three of its chapters to meet together. This is the last chance for all of us to be a part of the Golden Sun. I hope to see all of you there.

At the end of the month, there will be an OA and Explorer work and fun week end. You can come any time from 2:00pm Friday, April 30, till 2:00 pm Sunday, May 2nd, and get in on the activities. The chapter chief and his helpers hope that you will be there on Saturday, May 1, so that you can help get the camp ready for the summer camping program.

A business meeting of the chapter for all OA members will be held. A lot of business has to be taken care of before the camping season, and a name must be selected for the chapter. All of you good OA members bring every one of the Explorers from your troop that want to have a lot of fun while doing a good deed at Camp Augustine. Bill Klostermeyer wants to see all his young proteges there.
