

Camp Opal Springs Area Chapter:

The spring meeting of this chapter is set for 11:00 am, Saturday, April 17, and lots of items are on the agenda. There will be a business meeting, a dinner, and Ordeal Honor change-over ceremony will be administered. A name for the chapter has to be picked, and the details of summer camp activities will have to be worked out. Roger Horane is looking for some help in tackling these problems, so every one take heed; "Y'all come!"

EDITORIAL

Out at Camp Minis Kuya, where the annual fall pow wow and initiation ceremony is held, a new ceremonial circle has been selected. The new initiation circle is located in a part of the camp that is more secluded than where the circle was formerly located. We want to break in the new circle with the best ceremony that we've ever held. This pow wow is shaping up to be the biggest ever held by the tribe, and we want the ceremony to be a big success; to be a success, a lot of work must be done, much planning must be accomplished, and the ceremony should be faultlessly executed. As a first step in the right direction towards a successful pow wow, several Suns should volunteer as workers, and these workers will be an executive committee for the pow wow. Drumbeaters Runners, Sachems, and even dishwashers are needed. Volunteers now will have a good chance for the best parts, and many workers are needed. The more help, the better the pow wow will be, so let's all help.
