LODGE NEWS

The Fall powwow this year will be Aug. 20-22 at camp Minis Kuya. This will be the last pow-wow for Golden Sun Lodge with the three chapters. At this pow-wow the final details for the separation of the Lodge into three other Lodges; officers for each new Lodge and a name for each new Lodge must be selected. Also the ordeal change-over ceremony will be administered for old members, and the brotherhood ceremony will also be given by a ceremonial team from Omaha. A number of O. A. members will be needed to run the ordeal ritual and to operate the pow-wow in general. Applications are now being accepted in the Scout office for the following positions on the ritual team and pow-wow administrative staff:

- Allowat Sakima -- Mighty Chief -- 1
- Nutiket -- Guard -- 1
- Kichkinet -- Guide -- 1
- Meteu -- Medicine Man -- 1
- Sachems -- 4
- Runners -- 10
- Musicians (Tom-tom beaters) -- 6
- Fire builders -- 6
- Administrative Ass't. -- 4
- Costumes and Equipment Directors -- 4
- Sanitary Engineers -- 8 -- cooks, clean-up committee, facilities arrangers

The first applications in will get the first considerations, and the best jobs will probably go first.

New Neckerchiefs are here. The new neckerchiefs we've been waiting for are here. Any O. A. member can have one by sending a \$1.00 in to the office and you'll get a new neckerchief by return mail, or if you want to stop by they're only a \$1.00 for you new members, here's your chance to get a snappy new Golden Sun Neckerchief. By the way, don't be surprised by any proposals to change the lodge totem; do you think we've got the handsomest totem of any lodge in the O. A.?
