

CAMP PROMOTION

Part three of the purpose of the Order of the Arrow as set forth in the Handbook is "To promote Scout camping..., and to help strengthen the District and Council camping program both year-around and in the summer camp,..." In the past year of our membership in the OA, the lodge has been rather weak in carrying out this part of our purpose for existence.

This year we're going to go to work and really promote summer camp. This can best be done by every Sun talking up his experiences in summer camp at his home troop or post, and by every sun trying to get the fellows in his troop interested in summer camp.

A new program that the lodge is going to set up is a system of camp promotion teams made up of brothers in the OA. There will be at least one team in each district in the council, and their purpose will be to visit each troop in the council during the winter and sell it on going to summer camp. This will be done by demonstrations, skits, and a Question and Answer period. Here's a chance for you to do a good deed, help the OA, help Scouting, and help yourself. So get on the bandwagon, and let's all promote Scout camp.

TRIBAL COUNCIL

The Tribal Council is the executive committee of our Order of the Arrow Lodge. To this group falls all of the administrative duties and many of the minor legislative tasks of the organization. It is now the policy of the Tribal Council to elect one new member from each district each year to this group. Besides being a member of the TC., he will also act as district OA leader for his first year on the TC. The following are the boys chosen to represent your district this year:

DISTRICT	NAME	ADDRESS	TOWN
Pioneer	Mark Reimers	1500 So. 27th	Lincoln
North Star	Larry Bryant	6629 Holdrege	Lincoln
Sunrise	Duane Daake	E. Locust & Lincoln	Seward
Arrowhead	Kent Vinker	1223 No. 13th	Beatrice
Oregon Trail	Phil Hardesty	1104 B St.	Fairbury
Indian Cave	Robb Steinheider	Box 202	Auburn
Arbor Lodge	David Longfellow		Peru

Congratulation to these brothers and we all hope that they will do a good job. You can help them a lot by being ready to offer your services and time to them when they start promoting district activities.

WANTED!! "22 spark plugs" RUSH

Yes, we are in need of spark plugs - one from each of the 22 towns in which we have OA men. With our accelerated camp promotion program for this year and with many other district OA activities coming up, we need one person in each town to act as a contact man and chairman of a phone committee. Our lodge meetings will do their best when everybody in the lodge knows when and is encouraged to attend them. If you would like to help out by doing this important job in your town, drop a card to the Scout Office and let us know right away. The City spark plugs will be announced at the lodge meeting on Nov. 28.

QUESTIONS PLEASE

We are not in the money like Boy's Life or we would be glad to offer you a dollar for each good question you submit to the Sundail. We are interested in your problems and ideas just the same however, and would like to have you send your thoughts to the Sundail. A paragraph or two will be devoted to answering all questions which might be of interest to the lodge in each Sundail after this one.

SEE YOU NOVEMBER 28 AT THE LODGE MEETING
