

camp in their home troops. The chief announced that the Suns interested in camp promotion should contact their district representatives. A prayer from the Ordeal ritual was used to close the meeting.

VIGIL HONOR

Art may, Floyd Urbach, and Roger Horano have been approved as this lodge's Vigil Honor candidates for this year. The three men were picked by the old Golden Sun lodge before its split at the initiation pow-wow last August, and now one of the candidates is in each of the new lodges. Floyd is the Assistant Chief of the lodge formed in Oregon Trail Council, and Roger is the Chief of the newly activated group in the Tri-Trails Council. Now that the applications have been approved by the national lodge, an induction ceremony for the candidates must be arranged, and it will probably be held at the next area conclave.

DUES ARE STILL DUE

January 1, 1955 is the fateful day. Then all unpaid dues are delinquent, and those brothers who haven't paid their dues will no longer be considered as active members. Any time you pay your dues, however, you are reinstated to active membership. So far only 75 Suns have paid their dues, and that leaves at least 200 of you who haven't. If you don't have an identification card with a September, 1955, expiration date on it, you know that you haven't paid your dues. (Editor's note: One of the bad things about not paying your dues is that after the first, you won't be on the mailing list. This means that you won't receive any more Sundials until you pay your dues. I certainly hate to see my circulation cut to 75!)

COMMITTEE ASSIGNMENTS

At the Early Winter Pow-wow, all those present were asked to sign up for committees in the organization. Here is the list of committees we now have in the lodge, the Suns, who are on them, and the date of their next meeting.
