

THE SUNDIAL  
APRIL, 1955

The business meeting is going to be important; the initiation ceremony for next fall must be discussed; all the committees will report on their progress; Camp promotion may be reviewed; and the state of the lodge will be considered; all in all this will be a big session.

The Tribal Feast will be a big barbecue where every brother can eat his fill. The menu hasn't been set, but on the tentative slate is barbecued steak, bean-hole beans, potatoe chips, coffee, pop, and biscuits. This eating contest used to be an annual affair with the lodge, and now it's back, bigger and better than ever. And what's more, it only cost one whole dollar.

This will be the first Brotherhood Honor ceremony administered in this lodge. Everyone in the lodge who was initiated before last year is eligible to take the ceremony, so it looks like there ought to be a lot of you Golden Suns there. This will make the Spring Tribal Feast our big spring celebration!

For those of you who really want to make a good trip out of this event, you can come in on Saturday afternoon and help on cleaning up the new ceremonial circle that's being built; also other work projects will be available to use up your time and energy. This is all very much in line with the essential purpose of the Order of the Arrow to be a service organization. You can spend the night at the camp, and a hearty good fellowship program is planned to help you have a good time. One reminder: bring all your own gear and food if you plan to come early and stay late. We'll provide the food for the barbecue.

#### THE VIGILS

The ceremony to be administered to the Vigil Honor candidates from the Golden Sun Lodge has been set. Art May, Floyd Urbach, and Roger Horano will take the ritual on April 22, out at Camp Minis Kuya. The Sundial leads off in the congratulations to the lodge's first Vigil Honor men.

#### REPORT ON THE AREA CONFERENCE

At Offut Air Force Base on March 5th & 6th, this area of the Order of the Arrow held its spring conference. The delegation representing the Golden Sun Lodge at the talks consisted of Lodge Chief Art May, Lodge Advisor Chet Dill, and Tribal Council member John Sacks. The meeting consisted mostly of discussion periods where ceremonials and area activities were the favorite subjects. This area consists of the following lodges:

Lodge	Council	Office
Three Arrows	Tri-Trails	North Platte
Golden Sun	Cornhusker	Lincoln
Pohawk	Covered Wagon	Omaha
Chapa	Southwestern Iowa	Council Bluffs, Iowa
the lodge in the overland	Trails Council	Grand Island

The last item of business of the area conference was the election of an area chief. We are happy to say that our lodge chief was selected.
