GOLDEN SUN LODGE

ORDER OF THE ARROW JMM.

Dear Tribesman;

A long time no hear from the chief, hu. Yes we in lincoln are still alive, just slow and lazey.

With a new chief at the head things are in a worse than usual mess. Here it is December and no sundial out vet. The truth of the matter is we need help. yes eaven you will do if you have some time. Drop into the office and leave your name.

Alot of you don't have current membership cards because I haven't got them to you or because you haven't paid your dues. If eather case applies to you, drop us a card or letter. We are still at 220 No. 11th Street, Lincoln, Nebraska.

It is getting time for the Winter Pow-wow again. We are open to suggestions as to: time, place, programs, etc. Any help you can give will welcomed. Remember it is your pow-wow, why not have something you want, not something I want.

It has come to my attention that there are some boy's who have not been able to avail them selves of the opportunity to become members of the order of the arrow because the fall Pow-wow comes at the same time as their military encampment. Because of this fact I would like to have an innition at the spring pow-wow, to be held on March 30 and 31. This would give us a chance to get together and work out our summer tapping, and would give these boys a chance to come into our organization. If you know of someone in this position let me know of him, or have him write me.

What would you like to know about the O.A.? We would like to answer your questions about policy, costumes, Ritual, pow-wow's, anything you would like to know.
