

### Summer Tapping Problems

This year as before the lodge is going to do a lot of tapping in a lot of different places. Teams will be needed to tapp at the following summer camps: Minis Kuya, Canoe trip, Wildernass, and at any troop camp within the council. As you can see a lot of help is needed because each team consists of ten people, four adults and six younger suns. Let the office know if you can help because you are needed.
