SEPTEMBER 1957

Welcome to all of you new members who were initiated at this last fall Pow-Wow. We of the lodge wish you the best in what ever your endeavors may be. We are sure that if you take your initiation seriously, and attempt to repay to scouting the investment it has in you, you cannot help but succeed. So, to these new members, we say welcome:

Mark Ward                      Aaron Wright  
 Sgt. Wm. Warner              Don Wright  
 Bob Weaver                    Louis Hetherington  
 Robert Weber

From year to year, it is difficult to be sure if the fall pow-wow is going to be a success; however, after the August pow-wow, there should be no doubt in anyone's mind. This last fall's pow-wow was undoubtedly the most successful pow-wow in the modern history of our lodge.

To all of you who were out at the pow-wow working, the deepest thanks of the lodge is expressed. Especially to Lyle Ulstrom and Bob Porter, the pow-wow directors, we owe a vote of thanks.

Remember, you are the lodge, without you we stand still. Think back to the time when in your initiation you appeared before the chief and the council, think of the promises you made every time you are tempted to shirk your duty as a member of the Golden Sun Lodge, Order of the Arrow. Let's make the spring pow-wow even better.
