SUGGESTIONS

If you have any suggestions for the betterment of our lodge, or the Sundial, please send them to Bruce Abernethy, c/o the Scout Office, 220 North 11th, Lincoln.

If you would like to see your lodge be more active, and hold more activities, send in your suggestions. We would like to plan a winter event, but we need your help.

During the last week in August next year, 1958, the National Order of the Arrow Conclave will be held in Lawrence, Kansas. On the University of Kansas Campus will gather hundreds and even thousands of representatives of the Order of the Arrow. These fellows will represent practically every lodge in the country, and you can be sure that some mighty big plans will be laid during this encampment.

The Order of the Arrow has come a long way since that first encampment in 1915, and it has a glorious future before it. Why don't you help lay those plans. **PLAN NOW!** Let's all plan to attend the national conclave. Since we are but a few miles from Lawrence, we can count on the cost being at the minimum.

REMEMBER -- save the last week in August, 1958.

In order to conform to the national policy on Brotherhood requirements, the following definition of "satisfactory service" was placed in our by-laws. Satisfactory service: Ten hours of voluntary service to the Golden Sun Lodge, Order of the Arrow, and continual satisfactory service to Scouting; this to be vouched for by the member's Scoutmaster.

It was further decided that all applications for Brotherhood membership must be in the Scout Office by the time for the July Tribal Council meeting.

A permanent time was established at this meeting for all Tribal Council meetings. Hereafter, all the Tribal Council meetings will be held at the
