ORDER OF THE ARROW-FILE COPY

Dear Tribesmen;

The fall pow wow has rolled around again. We hope to make this the best yet, but it needs YOU. The dates are July 31st to August 2nd, The four fires will be run on July 30th. This is the weekend after next. I realize that this is very short notice and that it might rush you and cause you to make drastic changes of your plans in some cases.

To make this an effective ceremony and well co-ordinated it will take some extra effort on your part and possibly some extra time. If you are a ordeal member this is a fine opportunity for YOU to give the lodge the ten hours of cheerful service needed for YOUR Brotherhood. If it is possible please come out to Camp Minis Kuya on Monday, July 27th at 1:00 PM.

As you will recall, if you participated in, the Spring pow wow, the food was a great improvement over the usual menu. We hope to accomplish the same thing at this pow wow. In order to do this we will have to have a slight increase in the price of the food. A fair price in accomplishing this is: Breakfast 75¢--Lunch 75¢--Supper \$1.00. Again this year we must know in advance how many are planning to be at the pow wow, so that we can plan on our meals. Your reply must be in the scout office not later than Monday, July 27, 1959. Help our cooking committee by letting us know well in advance which meals you will be present for. Those not having meal tickets WILL NOT BE FEED.

Having a primary goal of an impressive ceremony, we also have a secondary goal of recreation and enjoyment for the members. We shall try to have rifleing (you buy the shells), archery, and swimming, possibly some organized athletics.

There are many changes being made in the ceremony this year making this the most impressive pow wow you will ever witness. However, the help and co-operation of everyone is needed if this pow wow is to be a huge success. The lodge needs more experienced tribesman helping to put on the Fall pow wow, one way of getting this experience is to participate. Please notify us of your intentions as to when you can come. If you need transportation, get together with your fellow tribesman or if you have transportation ask some of your fellow tribesmen to go with you.

We need you not only on Saturday and Sunday but on Thursday and Friday also. The ceremonies will start on Thursday afternoon at 1:00 PM. At 9:00 PM. all those who did not receive the trail of the four fires ceremony at camp will be removed and will then receive it. The fasting and work details will be given on Saturday. The Ordeal, Brotherhood, and Vigil ceremonies will be given on Saturday night. On Sunday morning all members are requested to be present at the lodge meeting. Arrangements have been made for worshipping of all faiths. Any and all persons having questions concerning the fall pow wow are to contact:
