

O O P S ! !

There were fifty-five (55) mistakes in the last Sundial. Compare this with your total if you counted them. In the Quivira news it was listed that Bob Olson was Secretary-Treasurer of the Chapter. This was a mistake --it should have read Bob Marker Jr.

All news must be in by the 15th of the month before the news can be published in the next months issue.

If you have not already heard, the Winter Event will be held at St. Pauls Lutheran Church in Auburn, Nebraska. This location was chosen because of the quality of food and quantity. This location was also chosen because of the interest of the Chapter members. We did not have it in Lincoln because there, apparently, is not as much interest in the individual members as we find in the surrounding chapter.

You will attend a chapter meeting, called by your Chapter Chief, sometime this month to discuss the Winter Event, ways of getting to it, and Chapter obligations at the Winter Event.

I am pleased with the reply received from the Service Project to be held December 13, at St. Paul Methodist Church, at 1:30 P. M. So far I have heard from: Ray Breen, L. Sturdevont Mills, Robert M. Stevens, Wes Marquardt, Uwe Wagner, Dennis Hudson, John Rosenberg, Gary Gilmour, Kenny Gettman, Gary Cox, Lee Ray Volkmer, Bruce Anderson. All gave an affirmative answer.

Clarke Mundkenke of Milford has volunteered his services to the Pow-Wow Committee, while Robert Dahlgreen of Pawnee City is now a member of the Costumes Committee. We need a few more members to take the initiative these two have. There are still 144 of you who have not replied in regard to committees.

Elmer Meyers, Roger Simmons, Herb Marker Jr., Art May, Larry Axthelm, Gary Cox, Lyle Ullstrom, Don Frazier, Bob Weaver, Rob Jones, Bud McCracken, Ray Breen, Bruce Anderson, Alan Jennings, Chet Dill, Louis Major, and Dave Goman have sent in their registration fee for the Winter Event.

I am sorry that Rob Jones found it necessary to resign as Sundial Editor. His services were very much appreciated. Herb Marker has consented to take over as Sundial Editor for the remainder of this administration.

See you at the Winter Event. Please pay your dues too.
