FROM THE LODGE CHIEF:

Time has come again for another Sundial. Thanks to Kent Knee, the Sundial has maintained a regular Schedule and been published as planned. I would like to pass on to you members, the fine compliments which have been handed to me at the various events and Service Projects. At the Recognition Dinner, the Golden Sun Lodge made a marvelous showing. We are being recognized for what we are--A Service Unit of Honor Campters.

Don't forget that April 30, 1960--Work Project at Camp Minis Kuya--and May 6 & 7, 1960--Spring Pow Wow. These dates are important to every member because they will effect the status of every Ordeal Member and increase the popularity of Brotherhood members. Adults are needed at both of these events.

I would also like to mention that we have brought back 32 old members of the lodge. This I feel is good because we have again captured the interest of those who have in the past, become inactive. Among those who have again become active are Bob Smith, Past Chief. Other Past Chiefs still active are Arnold Henderson, Don Epp, Robert Porter, and Art May. Our present membership is 229.

Let's really get behind the old program now and support the Golden Sun Lodge and develop the program that should be developed!

Three non-members, friends of our Lodge Chief, have also made contributions. They are Cora Katt, Bertie Knippleheimer, and Todi "What-cha'-ma'-call-it".
