OBJECTIVES & PURPOSES

It is important that we again remind ourselves what the objective and purposes of the Order of the Arrow are.

OBJECTIVES:

1. To emphasize Scouthood as well as Scoutcraft.
2. To glorify the Scout Oath and Law in the mind of the Scout Camper.
3. To emphasize cheerful service as well it is an essential to a happy camping experience.
4. To reveal and interpret the true Brotherhood among those who exhibit such traits.

PURPOSES:

1. To recognize those Scout campers who best exemplify the Spirit of the Scout Oath and Law--that they may be an example to others.
2. To develop and maintain camping traditions and spirit.
3. To promote Scout camping--where it reaches its greatest effectiveness in the year-round Unit Program.
4. To crystalize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

It is important that all of the business to be discussed and acted upon at the annual business meeting of the Lodge at the Fall Pow-Wow be handled in terms of the above objectives and purposes.

We must not loose sight of what the Order of the Arrow is for, and what it is supposed to do.

CAMP PROMOTION IN YOUR UNIT

Your unit will begin programing for the next year this month. It is your job as an arrowman to promote all year round unit camping. It is important for all Scouts to get their 10 days and nights of camping in during the year or more.

Help your unit set up a program of at least one night of camping per month plus the summer camp experience. You have an important job ahead of you so begin to do your part in your unit today.
