## THANKS, GEORGE

The staff and management of the Sundial would like to take this opportunity to inform the Lodge of a great deal of work that has been done for it by one of its most loyal supporters - George Wilson. During the past few months, he has taken on the Herculean task of re-vamping and re-conditioning the records of the Lodge.

Last winter when a new Secretary was appointed, he found the records in a deplorable state. No entries had been made since 1957. Now the records are up to date and addressograph plates made out for all the Lodge members.

After seeing the immense amount of work done by George, we of the staff and management of the SUNDIAL have appointed ourselves a committee to inform the Lodge of his work and to publicly say this word of THANKS. We think that at the Winter Event each and every member should make it a point to thank this member of our Lodge who has taken to heart the advice given so long ago -

"He who serves his brother is of all men, best."

THANKS, GEORGE

## BEADS

The Tribal Council has decided that since the cost of procuring round, painted beads is prohibitive, they will make available to the Lodge members round, unpainted beads which can be purchased without having to also buy square and oblong beads for which there is not so much need.
