DEAR BROTHERS:

This year of activities by our Lodge has started very auspiciously. The Fall Pow Wow was an overwhelming success. We inducted more members into the Brotherhood than ever before. We sincerely hope that every one who entered both the Brotherhood and the Ordeal this year will be back next August to help with the Pow Wow. I realize that at times there seemed to be more members than useful jobs during the ceremonies, but we have several plans in the making to solve this next year. We hope that next year everyone who sincerely wants to do something for the ceremonial will have a necessary and important job to do.

But the life of the Lodge is not limited to the Fall Pow Wow. This year, the Winter Event and the Spring Event are going to be bigger and better than ever.

But this is still not all of the annual life of the Lodge. There will be chapter functions coming up soon for all of you. Even this is not all. The Lodge carries out an important part in the work of the Council Camp Promotion program. This will be done on a chapter basis with the Chapter Chief in charge of each Chapter. When you are called on to help visit Troops in your area and promote camp, do so cheerfully. Unit elections must also be carried out by the chapters.

If you would like to help repair costumes, send in your name for the costume committee. We have a lot of work to be done on costumes this year and we can use all the help we can get.

Things look great this year. At the Tribal Council Meeting everyone was very enthusiastic over the prospects for the coming year. Things will turn out great only if YOU do your part in building a better Brotherhood.
