

CHAPTER CHAPTER

Sunrise Chapter

As reported by John Gleason, Secretary

At the Sunrise Chapter meeting, Bruce Briney was introduced to the members of the Chapter. Bruce is an Ordeal member from another Council who is going to transfer into our Lodge.

Chapter Chief, Paul o. Callaghan then introduced Mr. Charles Welker, Camping Chairman fro the Sunrise District. Mr. Welker spoke on camping and getting more boys to attend summer camp.

After Mr. Welker's discussion, he told the history of the old Golden Sun Lodge and explained how it came to join the Order of the Arrow.

Mr. Alvin Ahetz showed color slides of his trip to the National Jamboree and this was of special interest to us all.

Quivera Chapter

As reported by Jim Cook, Secretary

At the Oct. 20 meeting of Quivera Chapter, it was announced that a Chapter camp-out and meeting would be held at Camp Minis Kuya, the week-end of November 16-17. Our service projects on the camp-out were to help the Scout Circus and do work around camp.

Three Camp promotion and Election committees were appointed to go to all of the troops in the chapter area conduct elections, and inform the boys on OA.

Chief, Dave Knighten gave a summary of the purpose of the OA, in which he stressed the Order is a service organization and that everyone in it should give service cheerfully.

A brief talk on the making and obtaining of costumes was given by Terry Stentz. At the close of the meeting we were instructed to wear uniforms and sashes at all future meetings.

Arrow Trails Chapter

As reported by Ed Bervin, Secretary

The Arrow Trails Chapter held its Chapter meeting on Oct. 20 in Beatrice.

A filmstrip entitled "OA Symbol of Service" was shown to orient new members and reacquaint our older brothers. Lodge-Chief, Tom Morgan served as narrator.

A discussion and a display of OA costuming was the next item on the program. An Indian Lore catalogue and photos of the National Conference were also displayed. Service projects were discussed and election teams appointed.

Catering certain meals for the Fall Pow-Wow was brought to our attention. Our Lodge treasury is quite large and it serves no useful purpose, sitting in the bank, so why not use it to make our major lodge functions better?

Three Rivers Chapter

"A House Divided"

Word goes that when Chapter Chief Chip Stever, called a meeting of the Three Rivers Chapter in Nebraska City, he forgot to tell his guys which church he meant when he said,

"Saint Mary's Church"

So a befuddled group of Falls City members, led by Harvey Koenig, irately waited on the steps of Saint Mary's Cathedral in Lincoln for the meeting. What a way to promote Cheerful Service!

Quivera Chapter Sings a Sad Song

Seven brothers out of 200 post cards is a pretty low percentage for anyone, admits chapter Chief Dave Knighten. But this is exactly how many answered a plea to come to a service project at Camp Minis Kuya.

Quivera Chapter is the Lodge's largest, but does it do its best? The only people that can answer that, are the chapter members who didn't come and still call themselves Arrowmen.
