A meeting of the Sunrise Chapter of the Order of the Arrow was held September 27, at David City, Nebraska.

Tom Morgan started the meeting with a talk on the organization and highlights of the coming year. He informed those present of a meeting for all the Chapter officers at the Congress Inn in Lincoln, October 23 & 24.

Discussion was held on the problem of new members being uninformed of what the OA is and what its main objectives are.

Several members expressed their opinions of changing the regularly scheduled business meeting at the Fall Pow Wow to the Winter Event so the new members would be better informed and therefore able to vote for the Lodge Officers.

Another issue discussed was that of Chapter service projects. One of these is to clean up the Rotary Camp near York, which is open to any of the troops in the Sunrise District.

Mr. Leach asked for several OA members to speak on the Order of the Arrow at a District Leaders meeting.

Chief John Watson then selected committees for service projects and summer camp promotion.

The meeting was then adjourned.

Jack McVay, Sec.

CHAPTER CAMPOUT IS VERY SUCCESSFUL

The Arrow Trail Chapter campout proved to be very successful. There was a good turnout and everyone enjoyed themselves on the two-day stay at Quivera Park, South of Fairbury.

The next Chapter meeting was set for November at the YMCA in Beatrice. It will be in the form of a party with swimming and other sports available.

Rank Carstens and Dallas Buess were the adult leaders on the campout.
