

the long distance between the homes of many members and the site of the Pow Wow. The Tribal Council hopes that this will not deter many from coming. We suggest that car pools be formed to get all members to the Pow Wow. In order to facilitate this we suggest the following. Those in Lincoln who have a surplus of space should call the Advisors house (488-6385). Those who desire rides should call the same number. We can't promise anything, but we will try to put those wanting rides in touch with those who have space. In the other areas we suggest that the drivers and members get in touch with the OA advisor in their chapter or the Scout District Executive either by postcard or phone. Those men are as follows:

POW WOW REGISTRATION

At the bottom of this page you will find a registration form for the Fall Pow Wow. This year the fact that the Pow Wow is being held at the reservation means that we will cook all food there and this food must be ordered in advance. Thus we must know as soon as possible (and certainly no later than August 1st) how many are going to be there. Please cooperate on this point so that problems at the Pow Wow will be kept to a minimum. If you do not have your reservation in on time there will be no food for you. Remember-- NO TICKEE-- NO FOODEE.

SERVICE AREA CONFERENCE

Plans are starting to jell for the National O.A. Conference which will be held in Lincoln in August 1967. The first step in our locality is the holding of an Area Conference. This will be held at the Nebraska Center in Lincoln on October 29th and 30th. It will be attended by the Lodge Officers of the Scout Councils in this area. This conference will elect an area chief and delegates to attend a national conference planning meeting which will be held in Lincoln after this coming Christmas. Wouldn't it be nice if the Golden Sun Lodge could claim the Area Chief????? It has been a long time since the Golden Sun Lodge could pride itself in that regard. In fact I wonder if we have every had that distinction.

REGISTRATION FORM-- POW WOW
