## SUNRISE CHAPTER NEWS

On September 11, 1966 the Sunrise Chapter held a meeting at the East Hill Park in York. This meeting was opened by the Chapter Chief Doug Heine, who first expressed how pleased he was with the well represented turn-out. Next, Mr. Al Apetz, Chapter Advisor, gave a talk on the coming District Camporee and what he would like the Order of the Arrow to do at this Camporee. Those who were going to be present at the Camporee were given various jobs to do. Following this, the Chapter Chief, Doug Heine, talked about the importance of all arrowmen joining to do their best to make it a good year for the Sunrise Chapter. Briefly he told about some of the coming events and expressed the idea that he would like to see as many as possible at these events. The Sunrise Chapter is supplying its services to help the Scout Camporee to be held on October 7, 8 & 9. The chapter is going to help put on the program for the afternoon and help with the camp judging in the morning. At the camporee there will be another Chapter Meeting at which future events will be discussed and ideas for projects will be planned. Again this year the Sunrise Chapter has very fine officers. They are: Chapter Chief, Doug Heine; Chapter Vice Chief, Terry Parr; Chapter Secretary, Rick Garner; Chapter Advisor, Mr. Al Apetz; and last but not least, Mr. Norm Leach, District Executive.

Come back, all old members to another year of scouting experience. Now that the Pow Wow is over, and school has started again, it's time to get into the swing of things and start participating in chapter activities. This year promises to be one of the best as two incumbents head up the list of chapter officers. Dave Rogers and Jerry Huggins, who both did fine jobs last year, are Pioneer Chapter Chief and Vice Chief respectively, and your trusty, Jim Nearhood is Chapter Secretary. The name of our new Chapter Advisor is temporarily being withheld pending notification of the next of kin. [Since this was written Mr. Dale Nearhood has been appointed Pioneer Chapter Advisor... Editor]. Again this year we are fortunate to have Mr. Len Pewthers as our Staff Advisor.

Already Pioneer Chapter is moving right along. We have already had a work project and we are also planning an exhibition for the fall camporee. Then too, Pioneer Chapter would not exist if it were not for you, the members. I hope to see every one of you participating in our activities. Our Chapter will also get points toward the "Best Chapter of the Year Award" for having 50% attendance at all chapter and lodge activities. So be sure and attend all activities and make this a year of fun and experience. We are planning a chapter meeting in the near future. You will be notified of the time and place.
