

Fellow Arrowmen:

The year of 1966 has been one of continued growth for our Golden Sun Lodge, Order of the Arrow. This growth has not only been evident in the lodge membership which has now climbed to well over 600 members, but, also, in our Lodge's and our Chapters' activities. The chapters are now really beginning to work for Scouting, camping, and for the individual who is able to develop leadership and service qualities. And according to many, the last two Lodge events, the Spring Event and the Fall Pow Wow, (due to coordinated work of many arrowmen) have been the best in our Lodge's colorful history. During this year we as members have been greatly honored in that our Lodge has hosted the Area Conference and will host the 1967 National Conference next year.

Needless to say, this year's Winter Event will bring to a close a fine year and will, also, begin what should be the greatest year in the history of our Lodge.

This year, in a change from the past, the Winter Event will be held at the Auditorium in the Lincoln Center, with also houses the Scout Service Center. Registration for the event which will be held on December 3d will be from 2:30 to 3:00 P.M. The event will be over by 8:00 P.M.

It is indeed important that every new member attend this event. Here, you receive a great deal of information about the Lodge's ceremonies, administration and activities. All of your questions will be answered in a workshop by the Lodge Chief.

For both the new members, and the members of long standing, there is new knowledge to be gained about costumes, unit elections, camp promotion and ceremonial activities. There is also a great deal of work to be done at the Lodge's business meeting. The trophy for the outstanding chapter will be awarded, a decision will be made upon each of the amendments listed in the "Sundial," and other old and new business will be discussed. All of this, coupled with the fun and fellowship of arrowmen meeting with their fellow arrowmen, makes this Winter Event one well worth attending.

This year the fee for the Winter Event will be \$2.00. You must send this fee to the Scout Service Center no later than December 1st. Use the form at the bottom of this page. We must have advance registrations. If you have not sent in your fee and your registration on time, you will not be able to eat. The Tribal Council would also like for you to bring along an old candle to the Event for use later.

Please make every effort to attend. If you have any questions contact one of you Chapter or Lodge Officers.

YOURS IN BROTHERHOOD,

Golden Sun Lodge Chief
