

The Tribal Council has chosen the following point scale for use in the selection of the winner of the trophy awarded annually to the "Outstanding Chapter". The trophy will be awarded at the Winter Event, but next year, to better correspond to officers' terms, it will be presented at the Fall PowWow. The use of the point system will help to eliminate hasty decisions, and will insure the selection of the most active chapter, while also promoting chapter competition and activities in the Lodge.

Each Chapter secretary should also keep a record of the points he feels the Chapter has earned. The secretary must send his report to the Lodge Chief within five days after the conclusion of the activity.

After each Lodge activity, the Lodge Chief will post the point totals. His total will stand as the final decision in determining the winning Chapter. The point totals will run from the conclusion of the PowWow to the end of the registration period of the PowWow. The winner will be announced at the business meeting during the PowWow.
