

BROTHER IS SENATOR

Mr. Wayne Schreurs, of Seward Nebraska has been appointed to the Unicameral of the State of Nebraska, to fill the seat vacated by the death of Senator Matske.

We wish Senator Schreurs, an Adult Ordeal member of our Lodge, the best of luck in his new position.

HISTORY BEING WRITING

Don Van Horn is writing a history of the Order of Golden Suns which was formed in 1923, and which, later evolved into the Golden Sun Lodge, Order of the Arrow.

There is a big lack of information from 1923 to 1937, when the first Sundial was published, and from 1938 to 1947. If you have any information about our organization which might help, please contact Don.

CHAPTER OFFICERS DRAGING

Because of the sparse attendance at the Tribal Council meetings, Chuck Slagle is sending out minutes to all members on the Council.

Chapter members are reminded that the policies set at these meetings directly affect them, and it is your responsibility to see that your officers are at these meetings.
