

sessions are optional and you may attend the ones which are of most interest to you.

Following the Saturday evening meal, each Lodge will put on a 30 minute segment of their "Tap Out" ceremony and the evening will close with an inspirational campfire and a ceremony of rededication.

The location of the 74 Conclave is Camp Augustine at Grand Island, Nebraska. Activities will begin at noon on Saturday, August 10 and end Sunday mid-morning. Tentage will be available at the camp or you may bring your own. Advance reservations are now being accepted at the Council Office upon receipt of the registration fee of \$6.00 accompanied by the registration form. The registration fee, in addition to providing tentage, insurance and meals, will include a distinctive 74 Section Conclave Patch, the first one for Section 1-C.

It will take a little extra effort to get to the Conclave just a week after the Pow Wow but that is the quality that makes arrowmen different from just any other Scout. Send your registration in and plan now to attend. The Golden Sun Lodge may send up to 75 delegates so there is plenty of room for any arrowmen who can make it. Support our new Section and its Chief, Ron Amen, with your participation. See you there!

*Be sure to attach your \$6.00 registration fee.

O.A. POW WOW (continued)...

Saturday is a day of service and meditation. Arrowmen will be participating in numerous service projects around the camp. Adult Arrowmen are asked to bring the tools of their trade to aid in other camp improvements. There will be a specific need for carpentry tools, portable generators, chain saws, and the experience that goes with them.

Many of the program areas will be in the afternoon for fun and fellowship. All of the waterfront facilities will be open to the Arrowmen.

There will be an opportunity for Ordeal members to finish the Brotherhood tests in the afternoon prior to the Lodge Meeting at 4:00. Following the evening meal, all eyes are set on the Ordeal and Brotherhood ceremonies.

Sunday marks the first day of a new year for the Golden Sun Lodge. Following chapel services and breakfast, the Lodge business meeting will be gin and the election of officers for the coming year will take place. Chapter elections of officers will also be conducted before the closing ceremonies.

Sunday's schedule will conclude around 11:00 so arrowmen can be on their way home early. Arrowmen should plan to stay until the closing ceremonies and not plan to leave early unless arrangements to do so are made with the Lodge chief.

Let's make this Pow Wow the best one yet! Make your plans to attend now and send in your registration form as soon as possible.

See you there!
