'76 CONCLAVE

Those Arrowmen who attended the '76 Nacha Nimat Section Conclave, had a weekend of fellowship and learning. The Conclave began at 12 noon with the opening banquet. Following the banquet came the workshops. They included "Involvement in the Unit", "Costuming and Props", "Ordeal Through Brotherhood", "Leadership Development", "Indian Heritage", and "Ceremonies". The Arrowmen increased their knowledge and skills to improve their effectiveness in the Order. Following the workshops was a time for recreation. One of the major events was the "traveling-trophy" competition. The three Lodges pitted their minds against one-another. The test was to show who really knew the most about the Order of the Arrow. In the end, the We-U-Shi Lodge showed its "smarts" and grabbed the victory. Another program of the evening fun and fellowship was "Nacha Nimat's Amateur Hour". The program included skits and singing and other activities. Despite the windy, nippy weekend, the Conclave went well.

The 1977 Conclave is scheduled for April 16-17, 1977, at the We-U-Shi Lodge's Camp Augustine near Grand Island. The Conclave will include informative workshops on "Camp Promotion", "Motivation of Arrowmen", "New Member Orientation", "Where to Go Camping", "Arrow Enrichment Program (Kitchkinet's Guided Tours)", & "Indian Dancing". Some extra recreational activities, also, are being planned which will guarantee a great event.

'77 NAT. CONF... The 1977 National Order of the Arrow Conference is THE EVENT of "Arrowdom". This biannual event will be held next summer at the University of Tennessee in Knoxville. Some 4-6,000 Arrowmen will gather from throughout the U.S. Indian dancing, informative workshops and seminars, Indian crafts and skills, enjoyable recreational activities and entertainment will make the event a "smash". Some 27 delegates from throughout the Section attended the 1975 Conference. Let's make a larger number next summer. Plan to attend!
