

## Y"ALL COME AND HAVE FUN

By Ken Havlat

### " CONCLAVE THEME -- ONE AIM "

Craig Tubbs knows his subject well when he says the O.A. NC-4A Section Conclave is going to be the best he has ever attended.

After all, the Section Chief and a former First Vice Chief of our Lodge has recieved a tremendous round of support from the host lodge, KIT-KE-HAK-O-KUT # 97. Tubbs explained, "they have been doing such a smooth job in the planning and running of the conclave, they have made it a much easier job for me." KIT-KE-KAH-O-KUT is using their Camp Eagle (about one mile East and North of Cedar Bluffs) for the October 10-12 conclave.

Excitement should well be a high point at the conclave. At least one of three leaders of the national O.A. Movement will be on hand. Craig hopes to possibly have a "Meet The Arrowmen" at the conclave for arrowmen to keep informed on what is going on in the Order of the Arrow nationally.

In addition Chris Schneff, the winner of the fancy dance competition at the last National Conference and a student at Iowa State University is scheduled to conduct a seminar on indian dancing. Craig hopes this will get a few people away from their radios and big red football and come to the seminars.

The ARROWBOWL is one of the funnest parts of the weekend. The "Bowl" pits teams of two or three arrowmen each against seven other teams. John Mohan, section secretary is putting together the set up for the bowl.

Cost for all of this is a modest \$ 13.00 (add another buck if you need a tent). There will be many other items unfolding on this weekend however, space limitations prohibit us from telling you about them. The only way you will find out for yourself is by attending. Remember, Camp Eagle is only 45 miles North of Lincoln.

## FALL POW-WOW A SUCCESS

BY Ken Havlat

With the exception of a Sunday morning thunderstorm, the Golden Sun Lodge Fall POW WOW played to magnificent weather. It was held last August at the Cornhusker Scout Reservation near Humboldt.

Add with the weather excellent food prepared by Matt Hill, with the supurb assistance of Lee and Jan Whitcomb. (our other resident expert Paul Pettit took the weekend off and got married. Congratulations Paul !!! From everyone in the lodge.) The lodge wanted to thank them for such a great job. However when they wanted to thank them they could not be found.

Once again excellent ceremonies from both the Brotherhood and Ordeal teams.

At the Sunday lodge meeting praise was given to Doug Brooks, who is moving away outside this council to pursue business interests.
