

----- NOTICE ----- NOTICE ----- NOTICE ----- NOTICE ----- NOTICE -----

This year, things are going to be the same as last year. We will order enough food to feed those who pre-register and a little more. (based on past experience) If you pre-register ---- you will eat and eat very well.

If you do not pre-register, you will probably get to eat with us (thats "might"). You will have to pay the POW-WOW fee and a late fee of \$ 2.00 and we will give the extra meal tickets out on a first come basis.

After we run out of extra (late commer) meal tickets, we will only collect a fee of \$ 2.00 and you can eat in Humboldt or Falls City. At the price of gas and eating out, this is no bargain.

PLAN NOW FOR THE FALL SECTION CONCLAVE

On September 24-26 the NC4-A section will once again hold their annual Section Conclave. The host lodge for this years conclave will be We-u-shi Lodge headquartered in Grand Island, NE. and thus the conclave will be held at Camp Augustine near Grand Island. Seeing how this camp is about as close as our own camp for the majority of the lodge it would seem only fitting that Golden Sun Lodge should be amply represented.

For only 12.50 you will be able to participate in a weekend of training, fellowship, and fun. A section conclave is an event that anyone with a job in the lodge, or anyone who hopes to some day have a job, should attend.

Activities throughout the weekend will include such things as training sessions, Indian events, meeting others, Section elections, good food, and the infamous Arrowbowl title which was barely won by another lodge and which needs to be won back by us.

We will be setting up a calling committee to help us secure our contingent but if you want to make sure your name gets on the list then you should let Dennis Dripps or Paul Cepure know as soon as possible that you want to go.
