

Spring Event

(Continued from page 1)

Great Feast. There will be a small cracker barrel before the ceremonies for the General Membership, and Ordeal candidates will be provided another "scant" meal prior to the ceremony. If you have any health issues and need to know specifics on times, feel free to call or e-mail any of the lodge officers. The last major change we made was moving the Lodge meeting to Sunday morning instead of Saturday night.

There will be two major projects going on during the Spring Event weekend. One is the building of the pole barn and the other is the re-roofing of Kimmel Lodge. In order to facilitate these projects, **NO camping or parking will be allowed behind the Dining Hall.** Exceptions to this policy are on an individual basis and only by the Camp Ranger or Lodge Adviser. Parking will be in the summer camp lot east of the roadway, along the rifle range. General membership will be within 200 yards of their campsites and should not have a problem getting equipment to their campsite. After 10:00 p.m. on Friday, any vehicle driven beyond summer camp parking **MUST** have the permission of the Camp Ranger.

A few minor changes were made in the times from last years schedule, but many of the same activities are going to be happening. We are planning a few COPE games and maybe even a chapter sports competition. If you have ideas on what you would like to do, please contact Lodge Vice-Chief, Mitchell Lowery. The phone number and email address is listed on page 7.

If you have any major questions please contact any of the lodge officers and we will do our best to help you.

One Day of Service

(Continued from page 1)

lodge will be participating in a clean-up day picking up garbage and other debris around the lake area. We will begin at 9 am and, with the help of a lot of fellow Arrowmen (yes, that's you), we should be completed by 4 pm.

Bring your gloves, work clothes, and a sack lunch. We will be meeting at the camping area on the east side of the lake. Look for the OA signs. You don't even need a park permit for this one.

There is no cost for this event but we would like you to register so we know how many people to expect. You can register on-line at the lodge website (www.goldensunlodge.org).

Please join us for this great opportunity to fulfill our mission as "Servant Leaders In Action".

Seven Feathers Chapter Adviser, Roger Smith, models the latest ceremonial fashions for 2004.

Summer Is Here, Time To Go Camping!

From the early beginnings of the OA, camping has been at the core of our Order. As Arrowmen we should seek to promote camping and activities in the great outdoors. There is no better place to do this than with the fellow scouts in your own unit.

Is your troop going to summer camp? Does your troop go camping every month? It is our purpose to participate in these activities and encourage our fellow scouts to do the same. Attend summer camp with your troop. Encourage your fellow Scouts to attend with you. Volunteer your patrol to plan your troop's next campout. Establish a monthly camping program in your troop.

These things will go a long way in helping you and your friends have fun and get the most out of Scouting.

Summer is here—GO CAMPING!!!
