

## Chapter News...

*The chapter is a very unique component of the Order of the Arrow, because it is the primary component of the Order that comes closest to troop interaction. Chapters are most effective in their role of providing service to troops and to the district for various needs and events.*

## Salt Valley Chapter

*...by Dave Miller, Salt Valley Chapter Adviser*

Well, it's spring and the Chapter has been extremely busy doing Crossover ceremonies. A big thank you goes out to all the OA members who have been doing them. Jason, has even got several compliments about how you guys have been doing. OA Elections have just started to pick up. If you have not scheduled an election, check on the web site to find out who to contact and get it scheduled. They need to be done by May 31.

Two other events are coming up. The first is the Spring Event. If you have not done your brotherhood, I challenge you to seal your membership as an Arrowman. If you already have achieved your brotherhood, how about coming down to Camp Cornhusker, enjoy some good fellowship and help get camp ready for another great summer of fun.

The other event is doing the campfire at the Salt Valley Spring Camporee. If your troop is just thinking about it, I can assure you it will be a memorable campfire. And as a member in the OA, you will actually have something to do to help make it one for the books. Don't forget to bring your regalia and sash.

Arrowmen are always welcome at our Chapter meetings on the first Thursday of the month, held at the same time and place as Roundtable for your leaders so you can easily catch a ride. Come on out and help shape what your Salt Valley OA is doing.

## We're On The Web...

Did you know the Golden Sun Lodge has a website? You can find up-to-the-minute information about all lodge activities, committees, officers, history, traditions, and support information for the Lodge and OA program. You can register for events and even pay your dues online.

## Seven Feathers Chapter

*...by Zach Anderson, Seven Feathers Chapter Chief*

Those who were not at the Regalia Extravaganza missed out on a great time, and some good vendors.

In my opinion the Merit Badge University went very well. I would like to thank all the OA members who helped, whether it was helping a merit badge counselor teach a class or staying around to help clean up.

Spring is just around the corner and before you know it, the spring event will be here. If you are interested in being an Elangomat please contact Randy Sherer and he will sign you up. For you other members who aren't interested in being a guide I invite you to come down and help out with the projects and ceremonies.

## Prairie Winds Chapter

*...by Alex Daake, Prairie Winds Chapter Chief*

Prairie winds hosted the 2004 Regalia Extravaganza at the Utica Auditorium. I think I speak for every one when I say the event went very well.

This year 3 vendors, 3 flint-nappers, and almost 60 OA members were in on the fun. I hope everyone had a lot of fun and also got some work done too. On behalf of the Prairie Winds district, I would like to thank everyone who attended. I would also like to personally thank every one who make this event turn into a good one. Thank you all once again.
