

## Pow-Wow

for the Brotherhood Ceremony that will make it an experience different from those in the past.

At the Spring Event we tried something a little bit different and will be doing it again at the Pow Wow. The Ordeal Candidates will be using the Indian campsites and everyone else will be using the area north of the dining hall and Kimmel Lodge to camp. One of the things that this helps to accomplish is an increased sense of unity by giving everyone a chance to be in the same area and meet other lodge members. (It also means that we don't have to haul our equipment as far!)

During our last planning meeting we realized that there are also some health and safety issues that needed to be addressed. The main one is a check-in and check-out sheet. We have always done a good job of checking people in but we realized that we really don't know when people leave the property. Because of this, we are going to have a check-out sheet posted so that when you leave the camp, (yes...even at the end of the event) you can notify us of that fact. We ask the cooperation of all the OA members to make sure this gets done.

This event will be our largest of the year, so put it on your calendar right now, then either fill out the registration form and send it in with your payment or go to [www.goldensunlodge.org](http://www.goldensunlodge.org) and register on-line to attend the 2004 Pow-Wow!

## Council Jubilee

*(Continued from page 1)*

At the village we plan on setting up the teepee, giving dance demonstrations, letting the visitors make a friendship necklace, and probably giving them an opportunity to throw the tomahawks. We are going to do our best to make this event one that all Scouts will remember but we need your help to do this!

Some of you will be helping your units run activities they have volunteered for, but if you are a member of the dance team, we really need you to plan on giving some of your time to help with the dance demonstrations. If you aren't part of the dance team and have some time to donate, we will need help getting things set up on Friday afternoon and help running the different stations on Saturday. Please contact Scott Fitzwater (402-228-0545) and let Scott know if, or when, you will be available to help.

## First Section C-5A Conclave To Be Held In September

At the Conclave, you'll find many different activities and events to keep you busy from the moment you arrive on Friday evening until you depart on Sunday morning. In the morning, you can take part in training opportunities in many different fields that can help your lodge. These include Brotherhood conversion, the Induction process, service to council, and OA ceremonies. In addition to these lodge program-based cells, there will also be skill-oriented cells on High-Adventure Camping.

In the afternoon, get ready for inter-lodge competitions rang-
