

Fall Fellowship

(Continued from page 1)

ceremony competition results, recognize our newest Vigil Honor members, present the Founders Awards, and the passing of the bonnets.

Now the big news for the Fall Fellowship!! This year the pie auctions will be coming back to the Fall Fellowship. Buy pie from the auction and get the chance to pie your favorite officer in the face. This is going to be a good time, so make sure that you bring your money for the auction.

Since the event is being held at a guard camp and the food is being prepared for us by the staff at the camp, there will be an absolute deadline for registration. If you do not meet this registration deadline, you will not be able to eat at the event, so make sure that you get registered on time. Don't forget about the change in the date. The Fall Fellowship will not be held in November, it has been moved to December 10-12, 2004. Make sure you attend or you will be missing out on a great event.

NEW POLICY:

To conform with National BSA camping policies the Golden Sun Lodge will require that its members who attend weekend events bring at least a Class I Health form to the event and have it available for inspection. Attendees will keep the form on their person during the event and carry it in their right rear pocket. Your voluntary compliance with this policy is appreciated and will prevent a need to collect and maintain these documents on the part of the Lodge.
