

a person to the position. The appointment will be subject to a vote by the Lodge Executive Committee.

3.10 Chapter officers, other than the Chapter Chiefs, shall be elected at the first Chapter meeting following the annual Pow-Wow.

NLS in Parkville, MO

...by Logan Ohs

National Leadership Seminar, is a weekend of intense leadership training and a fun experience. Seven members of the Golden Sun Lodge #492 attended a region NLS in Parkville, MO in November. At the NLS these seven members went through a leadership training course, set goals to help the Lodge, and got ideas for improving the lodge. During the weekend the scouts sat through many sessions, played games involving leadership, and talked with people from other lodges to get ideas on how we can improve our lodge in the immediate future. The members that attended the NLS were Seth Bingham, Mitchell Lowery, Tony Odem, Derek Hines, Robert Fitzwater, Logan Ohs, and Dave Miller. A thank you goes out to Dave for driving, and to Scott Fitzwater for arranging the van for the weekend.

NLS Attendees

Klondike Derby Help

The lodge has agreed to once again supply staff for the annual Cornhusker Council Klondike Derby being held at Camp Cornhusker on the weekend of January 13-15, 2006. Are you able to help? If you are not participating in the derby with your unit, no need to miss out on the fun. Come help the lodge provide service to the council.

The lodge will be supplying staff members for the various stations during the event. Members of the Klondike Derby Committee will have the events all prepared and all materials ready. You just need to help run them. Events start at 9:00 am on Saturday, January 14, so please be at Camp no later than 8:00 am so you can check-in and get to your area. The derby will conclude around 4:00 pm Saturday afternoon. You will want to stay for a great staff only feast on Saturday evening. You are certainly welcome to camp on either Friday or Saturday nights, or both. If you are camping, you are responsible for your meals except for the two that are included in the registration fee.

Please note that online registration is for Klondike Derby Staff Members only. If you register as a staff member you will be expected to work on staff and will not be a participant in the derby. If you are registered with your unit you should participate with your unit. We are happy that you are willing to help out but "the ones who chose you, need you" also.

Make sure you dress accordingly. It is January!

Your \$10 registration fee covers Saturday lunch and the evening feast. You will also get a highly sought after and very cool Klondike Derby Patch. The registration deadline is January 6 so don't delay.

Let's show the Council our support by having a big showing of staff members at this event!
